### **Principal's Report:**

Ms. Plocher reported the summer construction of Burley was moving along. The crew completed demolition, removed old tile floors, scraped loose paint and repaired walls, began work on underground leakage in 2 classrooms, and replaced and refinished hardwood floors in numerous rooms.

They will continue refinishing the floors, painting classrooms, offices, hallways, etc.

Environmentally speaking, everything was looking ok and appears to be on schedule.

There will be some minor staffing changes this year. Ms. Plocher and Ms. Nash are in the interviewing process. 60 students have registered for Kindergarten so far.

The chickens are safe in the heat and the eco garden is flourishing.

With JB Mantz leaving the LSC, the LSC will post a note in This Week at Burley email and start spreading the word for a new LSC community rep.
