Early Bird Day

Early Bird Day gives you the chance to take care of important back-to-school tasks – and allows us to focus on instruction during the busy first days of school. Please come to school any time between 8:30 and 6:00 on Thursday, August 31st to complete forms, pay fees, and drop off school supplies.

All teachers for grades PreK-8 will be available in their classrooms from **8:30-9:30** to greet you if you would like to accompany your children to the room. After 9:30, supplies will be collected outside classroom doors.
